Our practice philosophy

Barrymore Medical Centre aims to provide thoughtful medical care to families and individuals by keeping up-to-date with medical innovations and you efficient personal service.

Billing arrangements

The practice is a mixed billing and private billing weekends and public holidays. If you do not have a Medicare card, a consultation fee of \$40.00 applies. Long consultations and procedures attract additional charges for non Medicare card holders.

Booking a long appointment

Booking a long appointment is important for more complex problems - pap smears, insurance medicals, health reviews, counselling, a second opinion etc. If more than one person from your family wishes to see the doctor at the same time, please ensure a separate appointment is made for each family member.

Despite our best intentions

We may run late!
This is because someone has needed unexpected medical urgent attention. We thank you for your patience if this occurs.

Communication

A doctor is available during normal surgery hours for emergency advice. Our staff are experienced in deciding the appropriate response to any phone request.

Follow Up

A computerised reminder system is available and is used for follow up of many medical conditions. if you wish to participate in this, please inform your doctor. The practice participates in state and national registers.

Appointments

The practice offers an appointment system as well as a walk-in system. Appointments are treated as priority and anyone without an appointment may be waiting a long period of time.

Home Visits
